SALTER Brecknell Micromail II Letter & Parcel Scale

Operated postal scale suitable for 1st and 2nd class letters and small parcels. Wipe clean vinyl chart and special marker pen allows current postal rates to be entered in the appropriate boxes - then when rate changes occur old rates can be simply wiped off and replaced with new values. Ideal for the postal room that requires to update its letter rates. Display: 13mm LCD. Operational keys: On/off, zero key, units toggle key, hold key - allows larger letters to be weighed even when the display is covered. Weighs in both grams and lbs/oz.

Maximum Capacity	Unit Scale	Platform Size (mm)	Order Code	List Price/1	Offer Price/1
2000g/5lb	1g/1/8oz	140	SLT-844 -2100K	£58.00	£40.60

General Purpose Bench/Despatch Scale

A rugged 22 gauge steel despatch/warehouse scale with ribbed base that provides consistently accurate weight measurement. Portable - ideal for despatch and warehouse applications. Weights are clearly displayed in large 2.54cm backlit LCD numbers. Continues to display weight even after item is removed from the scale making it easier to weigh oversize items. Battery powered option provides complete freedom of use. Units: kilogram or pounds. Tare: establishes the weight of an empty container at zero to provide an accurate net weight for items placed in the container. Auto shutdown: turns off the weight display after two minutes of non-use. Battery alert: scale will display 'LO' when the battery is weak.

Maximum Capacity	Unit Scale	Platform Size (mm)	Order Code	List Price/1	Offer Price/1
45kg/100lb	100g/0.2lb	278 x 318	SLT-844 -0010K	£99.50	£89.55
110kg/250lb	200g/0.5lb	x 56	-0020K	£99.50	£89.55
