Reciprocating Saw -600W-240V

RS600

4 Positional blade for working in tight or awkward spots. Ideal for both home and workshop use, for cutting and trimming numerous materials including hard & soft woods, alloys, non-ferrous metals, plastics, PVC and plasterboard. Very versatile in that it can be used right-side-up or upside-down which makes them handier than circular saws. Supplied with 3 blades and carry case. 1 year Guarantee.

Specifications:

- Power Input:** 600W
- Voltage:** 240V/50HZ
- No Load Speed:** 700-2300rpm
- Maximum Cutting Capacity:** 150mm

* Interchangeable with Bosch Sabre saw blades.
