BOSCH Pendulum Jigsaw

GST135BCE

New patented system — Precision Control — adjusts the jigsaw blade at the push of a button. This provides the saw blade with additional lateral support making accurate work with exact angles a sure thing. Variable speed electronics. Integral blower air stream for keeping the cut line clear, on/off external dust collection or for working with cutting oils. Soft grip body for improved operator comfort and control. Supplied with carrying case.

Power input: 720w

Capacities:

Wood 135mm. Aluminium 20mm. Mild Steel 10mm.

Bevel cuts: 0-45 degrees

Pendulum stages: 4

Weight: 2.7kgs.
