

**PEGLER** *Plumbing Fittings*

Manufactured to **EN 1254 (formerly BS864/2)**, and carrying the prestigious Kitemark, Prestex 'type A' compression fittings are suitable for mechanically joining copper or stainless steel tube by means of compressing a cone into a tube without the application of heat. The range is designed for use with copper tube to **BS EN 1057: 1996 (formerly BS2871: part 1)**, **BS2871: part 2**, or stainless steel tube to **BS4127: 1994**. Fittings are available in brass, all with brass cap nuts as standard.
