140 x 140	50	-6827N	£61.95	£54.52

ROCOL SAFE STEP® Treads

Self adhesive treads that provide a quick, effective, and economical solution to the problem of slippery surfaces. Whether indoors or outdoors, on steps, walkways, machinery or in wet areas, **Safe Step™** Treads provide a safe and durable anti-slip surface. A silicon carbide surface makes them durable and they have a flexible carrier tape which ensures minimal surface cracking. Resistant to water, motor oil, detergents, solvents, and UV light.

Standard Treads - Black

As SAFE STEP® Standard Tape, and particularly suitable where greater area coverage is required, e.g. stairs, ramps, walkways and platforms.

Size (mm)	Pack Qty	Order Code	List Price/pk	Offer Price/pk
150 x 600	10	ROC-771 -6829Q	£52.07	£45.82
150 x 600	50	-6826M	£255.81	£225.11

3M Safety-Walk Coarse

Large abrasive particles bonded by a tough, durable polymer to a dimensionally stable plastic film to resist clogging when subjected to mud or oil. Applications: agriculture and forestry equipment, road building, civil engineering, lorries, tractors, construction vehicles, cranes, building equipment. It can be painted without losing friction properties.
